# Courrier de sortie

| | |
|---|---|
| **Patient** | FONTAINE Lucas |
| **Date de naissance / sexe** | 16/08/1954 / M |
| **Âge** | 72 ans |
| **MRN** | 4555491 |
| **Admission / discharge** | 07/11/2026 / 11/11/2026 |

## Diagnosis

Gastroenteritis, treated on the ward with a good response.

## Course

Lucas Fontaine is a 72-year-old man admitted with gastroenteritis. Symptoms began three days before admission. There is no recent travel. Examination on admission was unremarkable apart from the findings listed below; investigations were requested as in the plan.

**FONTAINE Lucas | DOB 16/08/1954 (M) | MRN 4555491 | Medicine 3A**

## Medicines on discharge

| Medicine | Dose |
|---|---|
| Paracetamol | 1 g when required |

## Follow-up

GP review in two weeks. No investigations pending at discharge.
