Accidents in loading, discharging or shifting stores, bursting of boilers, latent defects in the machinery or hull, negligence of Master, officers or crew, provided such loss has not resulted from want of due diligence by the assured or managers.

Machinery damage deductible

An additional deductible of EUR 25,000.00 applies to each claim for machinery damage caused by negligence of the crew or latent defect.

Main exclusions

War, strikes and terrorism (covered under separate war risks cover).

Wear and tear, gradual deterioration, marine growth.

Unseaworthiness known to the assured.

Claims procedure

Any incident likely to give rise to a claim must be notified to the broker within 72 hours, with the Master's report and photographs.

Security

100% Riviera Marine Mutual (lead) and following markets.

Policy wording

('Clause 1 – Navigation', 'The vessels are covered while at sea, in port, in dry dock or on slipways, and while laid up, within the navigation limits stated in the schedule. Towage is covered only when customary or when assistance is needed; salvage services under contract are excluded unless agreed in advance.')

('Clause 2 – Change of management', "The cover terminates automatically on change of the vessel's flag, classification society or manager, unless underwriters agree in writing. Azur Marine Services S.A.M. is the designated manager of the three vessels.")

('Clause 3 – Pollution hazard', 'Loss of or damage to the vessel caused by a governmental authority acting to prevent or mitigate a pollution hazard is covered, provided it did not result from want of due diligence.')

('Clause 4 – Three-fourths collision liability', 'Underwriters pay three-fourths of any sum the assured becomes legally liable to pay to another person by reason of the vessel coming into collision with another vessel.')

('Clause 5 – Sistership', 'If the insured vessel collides with or receives salvage services from another vessel under the same management, the assured have the same rights as if the other vessel were owned by third parties.')

('Clause 6 – General average and salvage', "The policy covers the vessel's proportion of salvage, salvage charges and general average, adjusted in accordance with the York-Antwerp Rules 2016.")

('Clause 7 – Duty of the assured (sue and labour)', 'In case of loss or misfortune, the assured and their agents must take reasonable measures to avert or minimise a loss recoverable under this insurance.')

('Clause 8 – Deductible', 'No claim arising from an insured peril is payable unless the aggregate of all claims arising from the same accident exceeds the deductible stated in the schedule for the vessel concerned.')

('Clause 9 – Notice of claim and tenders', 'In the event of an accident, notice must be given to the underwriters promptly and before survey, so that a surveyor may be appointed. Underwriters may take tenders for repairs.')

('Clause 10 – New for old', 'Claims are payable without deduction new for old.')

('Clause 11 – Bottom treatment', 'The cost of scraping, gritblasting and painting the bottom is not payable unless directly related to the repair of damage covered by this insurance.')

('Clause 12 – Wages and maintenance', 'Wages and maintenance of the crew are not covered except in connection with general average or shifting the vessel for repairs.')

Policy wording (continued)

('Clause 13 – Agency commission', 'No claim is payable for time and trouble taken by the assured to obtain and supply information or documents in respect of a claim.')

('Clause 14 – Unrepaired damage', 'The measure of indemnity for unrepaired damage is the reasonable depreciation in the market value of the vessel, not exceeding the reasonable cost of repairs.')

('Clause 15 – Constructive total loss', 'In ascertaining whether the vessel is a constructive total loss, the agreed value is taken as the repaired value.')

('Clause 16 – Disbursements', "Additional insurances on disbursements, managers' commissions, profits or freight are permitted up to 25% of the agreed value.")

('Clause 17 – Returns for lay-up and cancellation', 'A return of premium is payable for each period of 30 consecutive days the vessel is laid up in an approved port, at the rate stated in the schedule.')

('Clause 18 – Premium', 'The premium is payable in quarterly instalments; failure to pay an instalment within 30 days of its due date suspends the cover until payment.')

('Clause 19 – War exclusion', 'This insurance excludes loss, damage, liability or expense caused by war, civil war, revolution, capture, seizure, mines, torpedoes or other weapons of war.')

('Clause 20 – Strikes and terrorism exclusion', 'Loss caused by strikers, terrorists or persons acting from a political motive is excluded and insured under the separate war and strikes cover.')

('Clause 21 – Malicious acts exclusion', 'Loss arising from detonation of an explosive or any weapon of war caused by a person acting maliciously is excluded.')

('Clause 22 – Radioactive contamination', 'Loss caused by ionising radiation, radioactive, chemical, biological or electromagnetic weapons is excluded.')

('Clause 23 – Cyber exclusion', 'Loss caused by the use of any computer system or software as a means of inflicting harm is excluded; navigation electronics failures from other causes remain covered.')

('Clause 24 – Sanctions', 'Underwriters provide no cover where doing so would expose them to sanctions under UN, EU, UK or US law.')

('Clause 25 – Law and jurisdiction', 'This insurance is governed by English law and practice; disputes are submitted to the High Court in London.')
