Delivery instructions

Deliver to the vessel at Quai Antoine Ier, Monaco, between 08:00 and 17:00 on business days. Announce the delivery 24 hours in advance to the Operations desk (+377 97 70 41 10). Each delivery must be accompanied by a delivery note quoting this purchase order number; the delivery note is signed on board.

Quality: goods must be new, in original packaging, with certificates where applicable.

This purchase order is governed by the General Purchasing Conditions of Azur Marine Services S.A.M. (version 2025-01), printed overleaf. Partial deliveries must be notified in writing. The supplier shall invoice only the quantities actually delivered.

GENERAL PURCHASING CONDITIONS – version 2025-01

PO-2026-0333

1. Acceptance
Any delivery or performance under this purchase order implies acceptance of these conditions, which prevail over the supplier's general terms of sale.

2. Price
Prices stated on the purchase order are firm and include packaging. No additional charge is accepted without a written amendment to the purchase order.

3. Delivery and acceptance
Goods are delivered to the address stated on the purchase order, with a delivery note quoting the purchase order number. Quantities are checked on board; the signed delivery note records the quantities actually received. Partial deliveries must be announced and each delivery documented separately.

4. Services
Services and works on board are evidenced by a service report signed by the Master or the Chief Engineer stating the date of completion.

5. Invoicing
One invoice per purchase order, quoting its number, addressed to accounts.payable@azurmarine.example. Only quantities actually delivered may be invoiced. Invoices must carry all mentions required by applicable VAT law.

6. Payment
Payment is made by bank transfer at the term stated on the purchase order. No deposit or prepayment is due unless expressly stated on the purchase order. Payments are only made to the bank account recorded in our supplier master file; changes must be confirmed by a signed letter and are verified by telephone.

7. Warranty
The supplier warrants that goods are new, fit for marine use and compliant with the applicable class, flag and SOLAS requirements. Defective goods are replaced at the supplier's cost.

8. Confidentiality
Information on the vessels, their owners and itineraries is strictly confidential.

9. Sanctions and compliance
The supplier complies with applicable anti-corruption and sanctions regulations.

10. Law
These conditions are governed by Monegasque law; the courts of the Principality of Monaco have exclusive jurisdiction.

11. Inspection and acceptance
Acceptance of goods on board does not waive the company's right to reject goods found defective within 30 days of delivery. Rejected goods are collected at the supplier's cost.

12. Delay
If the delivery date is not met, the company may cancel the order without compensation after a formal notice of 8 days, or apply a penalty of 0.5% of the order value per day of delay, capped at 10%.

13. Intellectual property
The supplier warrants that the goods do not infringe any third-party right and indemnifies the company against any claim.

14. Insurance
The supplier maintains public and product liability insurance with a reputable insurer for at least EUR 2 million per claim and provides a certificate on request.

15. Subcontracting
Subcontracting of works on board requires the company's prior written consent.

16. Health and safety
Work on board is subject to the supplier requirements printed on the following page.

17. Data protection
Personal data exchanged under the order are processed in accordance with Monegasque Law No. 1.565 and Regulation (EU) 2016/679.

18. Assignment
The supplier may not assign receivables arising from the order without the company's written consent.

SUPPLIER REQUIREMENTS

Supplier requirements on board

Contractors working on board comply with the vessel's safety management system and the instructions of the Master. Before starting work, each technician attends a safety briefing given by the duty officer.

Topic	Requirement
Access	Names of technicians sent 24 h in advance; identity document on boarding
PPE	Safety shoes, gloves and eye protection; harness for work at height
Hot work	Hot-work permit issued by the Chief Engineer; fire watch during and 30 min after
Enclosed spaces	Entry permit, gas measurement and attendant at the entrance
Electrical work	Lock-out / tag-out of circuits; verification of absence of voltage
Waste	Removed by the contractor; no disposal on board or in the harbour
Environment	Absorbent material available for any oil-related work
Photographs	Prohibited on board without the Master's consent
Confidentiality	No disclosure of the vessel's name, owner or itinerary
Documents	Delivery note or service report signed on board; certificates attached

Non-compliance with these requirements may lead to the immediate suspension of the work at the contractor's cost.
