Subject: Marina Fuel – September invoice

Hello Thomas,

The bank statement shows a payment of EUR 13,200.00 on 22/09/2026 with the reference "INV 1182" to Marina Fuel Services S.A.M.

Invoice INV-2026-1182 dated 12/09/2026 is for EUR 26,400.00 (11,000 L of MGO delivered to M/Y Aurelia).

Can you confirm whether the remaining EUR 13,200.00 is expected to be paid later, or whether the invoice should be split between two vessels? I have not found anything in the file on this point.

Thanks,
Inès Morel
