Annual berth rental agreement – Berth B-14, Quai Antoine Ier

Parties

Monaco Berth Management S.A.M. (the "Operator") and Azur Marine Services S.A.M., acting as manager of M/Y Aurelia (the "Client").

1. Berth

Berth B-14, maximum length 55 m, beam 10 m, draught 4.5 m, with shore power 400 V / 250 A, fresh water and black-water pump-out.

2. Term

From 01/01/2026 to 31/12/2026, renewable by written agreement.

3. Fee

EUR 4,800.00 per month excluding VAT, invoiced on the first day of each month and collected by SEPA direct debit on the tenth day. Electricity and water are invoiced separately on meter readings.

4. Obligations

The Client shall comply with the port regulations and keep valid hull & machinery and P&I insurance.

The Operator may relocate the vessel temporarily for events (Grand Prix, Yacht Show) with 15 days' notice.

5. Utilities

Electricity is invoiced monthly at EUR 0.31 per kWh and water at EUR 6.80 per m3 on meter readings, on a separate invoice.

6. Services included

Mooring assistance on arrival and departure, 24/7 marina security, waste reception (household waste only), Wi-Fi in the marina area.

Oily waste, bilge water and hazardous waste are excluded and must be handled by an approved contractor.

7. Liability and insurance

The Operator is liable only for damage caused by its own negligence. The Client indemnifies the Operator against claims arising from the vessel and its crew.

8. Termination

Either party may terminate for material breach after a formal notice remaining unremedied for 30 days. Fees paid for the current month are not refunded.

9. Law

Monegasque law; courts of the Principality of Monaco.

Signatures

For the Operator: Harbour Master. For the Client: Philippe Andrieu, Chief Executive Officer, Azur Marine Services S.A.M., on 18/12/2025.
